CORONAVIRUS OR COVID-19 ENTERS THE HUMAN BODY THROUGH OUR EYES, MOUTH, NOSE AND GOES INTO OUR LUNGS.
WE ARE ALL TRYING TO FIGHT CORONA AND BE SAFE. SO WE SHOULD PRACTICE S-M-S (SANITATION-S; MASK -M; SAFE DISTANCING -S) AND GET VACCINATED.
AT THIS POINT VACCINATION ALONG WITH PRACTICING S-M-S, IS THE MOST EFFECTIVE LONG TERM SOLUTION TO FIGHT COVID.

6 feet
WHAT IS VACCINATION?

Our body has special cells called antibodies which protect our body when any germs or foreign bodies enter it.
COVID VACCINE INTRODUCES A PART OF THE GERM INTO OUR BODY, WHICH HELPS OUR BODY TO CREATE MORE ANTIBODIES.
AT THIS POINT VACCINATION ALONG WITH PRACTICING S-M-S, IS THE MOST EFFECTIVE LONG TERM SOLUTION TO FIGHT COVID.
WHY SHOULD WE TAKE THE COVID VACCINE?

WE HAVE ALL TAKEN VACCINATIONS IN OUR CHILDHOOD TO KEEP US SAFE FROM DISEASES. IN THE SAME WAY, WE SHOULD NOW TAKE THE COVID VACCINE TO KEEP OURSELVES SAFE FROM THE DISEASE. IT HAS BEEN TESTED AND IS SAFE.
VACCINATION ALONG WITH PRACTICING S-M-S REDUCES THE CHANCES OF SEVERE COVID INFECTION.
VACCINATION AND S-M-S WILL NOT JUST PROTECT YOU BUT ALSO OTHERS AROUND YOU FROM COVID.
WHO CAN TAKE THE COVID VACCINE?

ANY ONE OVER 18 YEARS OF AGE CAN TAKE VACCINES
IF YOU HAVE ASTHMA, CANCER, DIABETES OR HIGH BLOOD PRESSURE PLEASE CONSULT A DOCTOR OR ASHA WORKER, AND INFORM THE VACCINATION CENTRE BEFORE TAKING THE DOSE.
TO RECEIVE THE VACCINE, YOU CAN

1. register on Aarogya Setu App on your phone OR
2. register on www.cowin.gov.in website
3. check with the nearest Government Hospital or Primary Health Centre or ASHA/ANM worker
MILD FEVER, SORENESS AT THE SITE OF THE VACCINATION, FATIGUE AND BODY PAIN ARE COMMON SIDE EFFECTS. IT SHOULD GO AWAY IN A DAY OR TWO.
IF THESE SYMPTOMS CONTINUE EVEN AFTER TWO DAYS CONSULT A DOCTOR OR ASHA WORKER IMMEDIATELY.
IF YOU HAVE ANY QUESTIONS OR DOUBTS ABOUT THE VACCINATION PLEASE SPEAK TO YOUR DOCTOR, ASHA, ANM WORKER OR NGO WORKER.
THIS VACCINE HAS BEEN TESTED AND IS SAFE.
TAKE THE RECOMMENDED DOSE* OF THE VACCINE AS ADVISED BY THE DOCTOR

* as of May 2021
